Corporate Sponsorship

Aloha,

The Hawai'i Library Association/Hawai'i Association of School Librarians Joint Conference brings training and educational opportunities to Hawai'i's library community. This year, it will be held on October 27 – 28, 2017 at the University of Hawai'i at Mānoa. Regardless whether you can come, we hope you will consider becoming one of our corporate sponsors.

These sponsorships enable HLA and HASL to provide a professional conference that is affordable to all members. Please help us by supporting our efforts at one of the levels below. To meet conference deadlines, please contact us by August 1, 2017. We are open to additional suggestions and offers!
